Category A stocked 8 times between October 1 and May 30.

Category B stocked 5 times between October 1 and May 15.

Category C stocked 3 times between October 1 and April 30.

* National Forest Waters.

+ Douthat stocked as Category A, Wilson as Category B put-and-take water after fee fishing season.

DH Delayed Harvest Water-Special Regulations apply, please refer to Delayed Harvest waters on page 24.

(NSF) These waters do not receive fall & early winter stockings.

****** A section of these waters is reserved for a fee fishing area.

(H) These waters will receive a stocking for the "Heritage Day" program. Heritage Day is April 7. For details see page 22.

U Urban fishing waters, trout license required November 1 through April 30, stocked 5 times between November 1 and March 31.

Stocking information for put-and-take stocking can be obtained on our website or by calling 434-525-FISH (3474). Both are updated after 4:00 PM each day fish are stocked.

***The water discharge on Thompson WMA Pond has experienced periodic leaking over the past several years and the Agency is taking steps to mitigate the problem. Thompson will be stocked as a category A water provided the pond water level is compatible with stocking needs.
