

Instructions for proper disposal of deer carcasses originating in the CWD Containment Area

Hunters are asked to dispose of deer carcasses and deer parts from the CWD Containment Area at a waste collection site within the Containment Area or at the Frederick County and Shenandoah County lined landfills. The counties have requested that any deer parts be double bagged before being disposed of. Locations for approved disposal sites are provided on the map below; addresses are provided on page 2. Waste collection sites located in Gore, VA and Star Tannery, VA cannot accept deer waste.
