2. An approved Access Permit waiver does not absolve the Applicant of the requirement to obtain a "Special Use Authorization" when seeking to hold certain events or activities on a Department-owned property for groups of 12 or more people, for commercial activities, or for use of a public boat landing. Please check the Department's website (www.dgif.virginia.gov/hunting/regulations/wmarules.pdf) to determine if a Special Use Authorization is required.
