

Virginia Department of Game and Inland Fisheries

Angling Education Program

Materials Request Form

The Department of Game and Inland Fisheries offers a variety of items to help make your angling education program both instructive and fun. Virginia anglers pay for the materials, instructional aids, and promotional items through the purchase of fishing licenses. The materials are therefore provided free of charge to educators who are licensed Virginia Anglers. For those who are not licensed anglers there is a nominal charge for student materials.

To Request Materials For Your Fishing Education Program:

1. Your program must be conducted in Virginia.
2. Submit your request **30 days** prior to event. (Recommended for on-time delivery)
3. Please submit a description of your program in the appropriate section of this form.
4. Select the materials you need for your program from the list provided.
5. If you do not have a current VA Freshwater Fishing License, calculate the cost of the materials and include payment with order.

Calculating The Cost For Your Student Materials

1. If you have a Virginia freshwater fishing license for the year during which your program is taking place there is no cost for your order of student materials. We do however reserve the right to change your order based on the information in your program description or product availability. Provide your license information below:

VA Customer Identification Number: _____
Purchase Date: (month/year) _____

2. If you do not have a current Virginia freshwater fishing license there is a 20-cent charge for each item ordered from the student materials section. To calculate your payment use the following equation: (make payment to Treasurer of VA)

Total Number of Student Items X 20 Cents per item = \$ _____
