# Wildlife Management Areas The Virginia Department of Wildlife Resources maintains 47 WMAs totaling nearly 225,000 acres for the benefit of all citizens for a variety of outdoor recreational opportunities. Many WMAs are open for some type of hunting. These lands are purchased and maintained with hunting, fishing, and trapping license fees and with Wildlife Restoration funds, derived from the sale of hunting-related equipment. We encourage the public to utilize all lands and enjoy the bountiful natural resources found there. ΔMPRE TAZEWELL HALIFAX IFCKI ENBUR 10 GRAYSON

# Wildlife Management Area: General Rules and Regulations

These lands are held in trust by the Department to conserve habitat for wildlife. The goal of the Wildlife Management Area system is to: Maintain and enhance habitats that support game and nongame wildlife while providing opportunities to hunt, fish, trap, and view wildlife. Other uses of WMAs may be allowed by written authorization of the Director, as long as they do not interfere with the goals and uses of WMAs.

NOTE: Not all activities listed below are available on each WMA; check our website at www.virginiawildlife.gov/wma for specific WMA information.

#### **Access Permit**

· Any person 17 years of age or older accessing a DWR Wildlife Management Area or Fishing Lake must have in possession one of the following valid Virginia licenses/permits: freshwater fishing license, hunting license, trapping license, boat registration, or DWR Access Permit.

# Camping/Fires

Temporary dispersed primitive camping is allowed at many of the Department's WMAs across the Commonwealth, when occupants are engaged in authorized activities. However, a camping authorization (no cost) is required to camp on WMA's. The free authorization can be obtained at any license agent or at gooutdoorsva.com. The camping authorization can be found in the list of "Special Licenses".

- Camping and fires are not allowed at Guinea Marsh WMA and Smith Mountain Coop WMA.
- Primitive camping is allowed for up to 14 consecutive nights when occupants are engaged in authorized activities (no more than 14 nights in any 28-day period). Camping is prohibited on or within 300 feet of any boat ramp, fishing lake or at other specific sites as posted or marked on WMA maps.
